MEMBER NAME	MEMBER #	MEMBER SINCE (DATE)	YEARS SERVICE AWARD

The Marine Corps League of Pennsylvania Tenure Program was established to recognize members that have 25, 50 and 75 years of continuous service in the Marine Corps League. Please note the following requirements:

Members submitted for recognition must have reached their service tenure dates at the time the application is submitted. June 1st is the cutoff date for the awards; members must have 25, 50 or 75 years of continuous service by June 1 to be eligible for an award. Do not submit applications early, they will not be approved.

Awards are made at the three levels of service indicated (25, 50 or 75 years.) Applications must be submitted within three (3) years after reaching the service tenure date for the award that is requested to receive a plaque and certificate from the Department. Beyond three years, only the certificate will be issued.

All applications will be verified using the National Roster. Members who have reinstated their memberships as a method of reducing their past dues payments may not be eligible for a Tenure Awards. Reinstatement of membership allows members to skip dues payments that are past-due; consequently, members who have reinstated may not have the years of continuous service required for a Tenure Award.

Tenure Awards are presented at the Department Convention.
