Report of the Toys for Tots Committee – June 2022

Good day to all!

I am Dean Van Zanardi, a retired Marine who is at present Commandant for the First Capitol Detachment 521 in York, PA. I was asked to be a Toys for Tots liaison for the Marine Corps League Department of PA.

I have helped with our Detachment Toys for Tots as LCO for the last 3 years and prior to becoming the LCO, I did volunteer with our Toys for Tots program in York County for 2 years.

I am very interested in getting toys to children during our 2022 Christmas season. There are program gaps in the coverage. There are children in PA that are not able to utilize our services. I am going to look at our gaps in coverage and along with help from all our members, I plan on reviewing the items necessary to start and run new programs or maybe just stretch our services to the maximum so more children can get a Christmas toy during the 2022 season.

Thank you for your consideration.

Dean Van Zanardi
