## **Report:**

Completed my term as Junior Vice Commandant for the year 2023 and was re-elected as JVC for the Philadelphia 30 Det. It felt good ending the year with a successful Toys for Tots mission. I wasn't able to attend the January 2024 winter meeting at Indiantown Gap due to inclement weather. In February 2024 I attended both Detachment meeting and the Mid- Winter Conference. I recruited Anthony Berry to our detachment and continue to recruit for the league. I excited to have created logos designs for the Districts 1-10. My fiancée expressed her interest in becoming an Auxiliary member and spoke with several members of the PA and NJ Auxiliary. As PAO, I continue to work at posting, sharing information, and assisting on the Facebook MCL State page. I will record our conference meeting as videographer.

- Attended Mid-Winter Conference in Virginia February 2024.
- Will attend March 16, 2024 meeting to record.

I always be ready to:

- Video record State Conferences and Conventions when necessary.
- Troubleshoot problems that may occur using OBS.
- Receive training for my position as PAO.

With a heavy heart and loss of words; I lost my brother Brian Taylor 2-7-2024 of a heart attack.

I can be utilized musically if needed for MCL Marine Balls and American Legion events. I will continue to promote MCL mission, recruit, and use my talent for the production of MCL business.

## **Training:**

Receiving constant training under JVC McCoy.
