

District 6 Vice Commandant's Report
Quarterly Report - June 2024

District 6 is going strong. Detachments are proceeding at their own rhythm and taking care of MCL business. Fundraisers, along with events are in the planning stages by various Detachments. We look forward to attending some of them.

28 March 2024 - Landis McCleaf Detachment Visit

Discussion focused on the Convention caucus and open District 6 positions. Seeking officers interested in serving at the Department level.

The Detachment is seeking out those members still not in good standing and updating their status. Discussed the need to fill every seat at the Department Leadership School since the class is once a year.

The Detachment is following MCL Ritual and Robert's Rules of Order. There is a mix of past National and District officers serving on current staff and in the attending membership. Moral is high and the atmosphere was relaxed for all present and presented a well-run meeting.

17 April 2024 - Lewis B. Puller, Jr., Detachment Visit

Very active attendance at this meeting. Two new members took the oath of membership. Assistant District VC McQuain conducted the officer installation. Commandant Rick Adams completed his fifth and final term of office.

The Detachment raised about \$2000 at a car show fund raiser and the show continued for several more days. More car shows are scheduled throughout the summer. Average funds raised each year at multiple car shows is about \$10,000.

His Detachment is at 100 members strong and growing. New officers starting their term are ensuring this Detachment is stable and in compliance with Bylaws and AP's. The meeting was conducted following MCL Ritual and Robert's Rules of Order.

High moral and relaxed atmosphere noted. Plans have been made for their annual picnic on 5 May and expect maximum attendance.

District officers discussed downsizing of the number of Districts and shortages in District position as the Convention Caucus approaches. Opportunities are available to move up and contribute at the Department level for both marines and associates.

Great interaction in this Detachment.

As per Department Commandant Diana Henry, all questions or inquiries in District 6 are to be directed to John McQuain, Assistant District 6 Vice Commandant.
