**District Vice Commandant's Report – June 2024**

Greetings Marines,

It has been a very busy 4<sup>th</sup> quarter for district 10. Detachments have finished all their installations for the year, some with new leadership. It has been my honor to be invited to do a few ceremonies and am pleased to see you have chosen your leadership well. I am looking forward to seeing the implementation of projects by the new leaders.

Since the last district report every detachment in district 10 has participated in some form of celebration for Memorial Day. Whether big parades or small ceremonies, it is good to get out in our local communities to let them know we support them. Fund raisers have been very popular this quarter, with Rose campaigns, lottery fund raisers and gun sales. Remember to keep your Game of chance license up to date.

Lastly, District 10 held its district meeting in May and 6 detachments were represented, thanks to those leaders that took the time to attend. This was my first facilitation of this event, even though the agenda was brief it still had informative subjects and much discussion. Coming up is the department meeting, please get your reports in on time. The major agenda item is re-districting. District 10 may be getting larger with the addition of 2 detachments, Lake Erie, and Joeseph H Pendleton detachments. I look forward to welcoming them into our district and representing them. Here is to looking forward to a productive year.

Semper Fi

Matt Popovich
