

June 5, 2024 Marine Corps League
Department of Pennsylvania
Scouting America

I would like to start by mentioning, that what a pleasure it is working with Pennsylvania Department's District Vices who have been very helpful in locating Detachments across the state, who could, be able and available for Courts of Honors, and those who request the Eagle Scout- Good Citizenship Awards from The Marine Corps League. I just recently had the distinct pleasure of working with two Boy Scouts of America Councils within the Commonwealth of Pennsylvania. The first is the "Cradle of Liberty Council", out of Valley Forge, PA. and the other is the "Pennsylvania Dutch Council", out of Lancaster PA. I have been working with each of Leaders of these two Councils, and I know they excited, and looking forward, just as the Marine Corps League, Department of Pennsylvania is itself too, where a Council leader will present the Eagle Scout Badge and certificate of achievement, and the Marine Corps League Detachment will present the "Good Citizenship Award Certificate" to each Eagle Scout. I would like to recognize Bill Kropa, who is our National Committee Chairman for the Scouting America, for I have enjoyed talking to him on many occasions, considering I am still somewhat new to this. My Report consists of the following.

- Williamsport Detachment #388, **10** certificates awarded
- First Capital Detachment #521, **5** certificates awarded
- North Hampton County #298, **21** certificates awarded
- Patriot Detachment #1230, **6** certificates awarded
- Washington County #1138, **1** certificate awarded
- Lehigh Valley #296, **5** certificates awarded
- Lewis P. Puller Jr. Detachment #524, **4** certificates awarded
- Delaware County #288, **1** certificate awarded
- Susquehanna Valley Detachment #308, **2** certificates awarded
- Tun Tavern Detachment #309, **1** certificate awarded
- Deer Xing Detachment #522, **1** certificate awarded
- Cpl. Brandon Hardy, Chester County, **1** certificate awarded
- Department of Pennsylvania Chairman, **3** certificates mailed out
- Total Eagle Scout-Good Citizenship Awards for the full year, or since I have been doing this,

It is **61**, for our fiscal year.

I would like to say that Scouting America is much more than just reporting all the Eagle Scouts who have received the Good Citizen Award, it is truly a rewarding experience.

Respectfully Submitted
