MARINE CORPS LEAGUE
P.O. BOX 6687, Harrisburg, Pennsylvania 17112-0687**

Greetings Marines and Associate Members,

Thank you for the opportunity to serve the League as Adjutant for another year.

I am looking forward to seeing all the Veteran's Day events take place, as well as all the Marine Corps Birthday Ball festivities. Then on to Toys for Tots and holiday outreach.

It is nice to see some good change take place within the Department, I have received about 30 Detachment reports using the new report form.

Hope to see everyone at the next Quarterly Meeting. Thank you for all you do in your community, for setting a great example and for all you do within the Detachment and Department.

Semper Fi,

Sarah Cook
Adjutant, MCL Department of PA
