Past Department Commandant Council - October 2024

The Past Department Commandants Council met online on Tuesday, September 24 at 1830. In attendance were Jr. PDC Dave Brady and PNC Paul Hastings. Several members sent regrets that they would not attend due to scheduling conflicts.

Primary topic of discussion was the need to raise additional funds for the MCL of PA Foundation Scholarship Program. Additional discussions will take place within the Foundation.

Members discussed future physical needs of the Department and pledged to support the Commandant in those endeavors.

PNC Hastings relayed a presentation from a recent meeting of the National BOT by Rust Insurance. We await details from National HQ.

The Council adjourned at 1920.

We are grateful to SVC Victoria McCoy for facilitating the online meeting.
