The 2024 Department of Pennsylvania Marine Corps League 2024 marksmanship season has come to an end. On behalf of the Marksmanship committee, I want to thank everyone who traveled to the various ranges throughout the state for their participation and efforts to keep the ranges safe and running smoothly. I also want to thank the members of the Marksmanship Committee, Gary Farole Rifle Chairman, Frank Kelly Pistol Chairman, and Wes Iler Statistician. With out their coordination and setting up all the matches this program would not be possible. Anyone interested in joining the committee or hosting a match please contact one of our committee staff. For additional information please check the marksmanship page of the Department website. <https://pamcleague.com/marksmanship/> Or contact the marksmanship committee.

2024 Rifle Marksmanship Report

The Department's Rifle Marksmanship program is now complete for 2024. We had 44 shooters participating in over 3 matches with 10 different Detachments. Two matches were hosted by the Ohio Valley Detachment 882 at the Millvale Sportsmen's Club and one hosted by First Capitol Detachment 521 at the York Rifle Range. Some great scores and great comradship. We are hoping to expand these numbers for the future matches. We encourage other Detachment's to get involved in hosting matches in their areas in the coming year. The Departments Marksmanship SOP is on the website both for rifle and pistol and contains all the information you need to conduct a match. If you have any questions regarding this program please contact any of the committee members that are listed in the SOP booklet. We hope to see more shooters in 2025.
