

This is DISTRICT 5 Vice Commandant, Gary Anspach. I will be providing my report for each detachment within District 5 to show where we are, and the recommendations set forth. That report is as follows:

Penn York:

I was in contact with Penn York Commandant, and I checked regularly to ensure all needs were met. I ensured that their OIRs and bylaws were updated. Detachment seems to be doing well.

DeerXing:

I was in contact with the Commandant, and I am going to have the District 5 meeting of all the detachments in my district.

Williamsport:

I contacted the Commandant. I found out about liability insurance which I wasn't sure how that worked. Their Paymaster has stepped down and they are going to install a new one. I checked to make sure that everything else was in compliance.

Berwick:

I contacted the Commandant and everything was fine. I checked to make sure they were in compliance with everything. They are trying to get new members.

Bucktail:

I contacted the Paymaster; the Commandant is experiencing medical issues, and they are not closing and will be installing officers in April. I plan to visit their detachment this month, however, if this task is not able to be accomplished, I will contact them to follow up. _

Susquehanna Valley:

Since this is my detachment, I am in contact with all the officers. Everything is going well. I have 15 to 20 members attending the meetings.

Thank you for your time,

District 5 Commandant

Gary Anspach
