

6<sup>th</sup> District PA MCL, Vice Commandant

In January I attended the winter meeting at Indian Town Gap  
There was a good turn out, but could have been better.

A quick check of the detachments should have all the  
officers sworn in and have a good handle on the 25-26  
elections.

P.W. Malane and the Young Marines operated the coat  
check for the Great American Out door Show. There  
wee a few warm days but everything worked out well.

I will be attending the ITG conference in March.
