Good Day all,

Thank you to Commandant Joel Sofranko and Chaplain Jim Casella for finding and negotiating a discounted rate at a local hotel for those traveling and attending the Leadership School.

Notes:

1. There is a MODD Pound Growl on Sunday Sept 28th so if you wish to attend said growl consider staying the night locally. Please bring dog food for operation "Chow Hound".
2. The course is a full day, so consider staying the night a day prior to ensure you are wide eyed and bushy tailed for the course.
3. Consider asking your Detachment to reimburse you for this hotel stay as your representation is a huge benefit for the advancement of your local Detachment. Not all Detachments are able and/or willing but worth asking if the budget allows. This is not reimbursed by the Department.

I will also be sending this email to those who are currently enrolled, but ask you to also disseminate to District Four accordingly.

**PDC Brady please put this information on the website**

**PAO Line please put this information on the Facebook Event**

Here is the information to book 1-3 nights at only \$89.00 per night:

Below is the booking link that guests can use to make their reservations. The link allows guests to adjust their check-in and check-out dates, if needed:

A few additional notes:

Each guest will be responsible for making and paying for their own reservation.

We are aware that some attendees may be traveling with ADA service animals. While there are no pet fees for verified service animals, guests will be responsible for any damage caused during their stay.

For anyone who may need assistance with booking or has questions, I'm happy to help anytime.
