

To: Commandant Pennsylvania Marine Corps league

From: Chairman Marksmanship

Subject: Pistol match held 30 August 2025

On 30 August 2025 Three Rivers Leatherneck Detachment #410 held a pistol match at Rochester Gun Club in western Pennsylvania. The match was well attended with participants representing three detachments. Three Rivers Leatherneck, Ohio Valley, and First Capitol Detachments all came out to shoot. Special thanks go out to Department of PA Marksmanship Committee members Frank Kelly and Gary Farole for organizing and running the match safely and on time. The match scores will be announced at the end of the match season.

There are two matches left this season. On 6 September Ohio Valley Detachment #882 will host a rifle match at Millvale Sportsman Club in Wexford, PA. On 20 September First Capitol Detachment #521 will host a pistol match at the Fraternal Order of Police Lodge 73 range in York, PA. There's still time to get signed up. Check out the Department website for details.

The big news for 2026 is that in addition to our regular detachment sponsored matches the Marine Corps League Department of Pennsylvania has received permission from Fort Indiantown Gap to hold two matches there starting early next year. The Department Committee is currently setting up range inspections and working out the details. We will announce the match dates as they become available. Interested MCL members are encouraged to contact the Marksmanship Committee
