District Vice Commandant's Report – October 2025

Greetings, Marines

Well, another fiscal year has come to an end. Thanks to those detachments that came to the June department meeting. I hope to see more representatives at the October meeting. 1st quarter is starting but there is still a lot of work that still must be done. As we get to celebrate the 250th birthday of our beloved Corps we can't sweep aside the things that keep our detachments viable.

I have sent out a list of reports and times that they are due, but I am still getting calls on report dates. If you need another copy, please contact me. It is important to keep your detachment in compliance. As for the actions of District 8 last quarter, I was impressed with what I saw when visiting some detachments. It seems there is a resurgence of new members to the league. Recruiting is a must. Keep it going. Fund raisers are doing well also.

Let us not get complacent, After the Ball or other celebration dinners are complete, we need to get back to work preparing our detachments for the upcoming year by electing our leaders to continue our mission. Do not take this lightly. I want to express how thankful I am to have this opportunity to lead such a great group of Men and Women. To all Marines, Associates and friends of the Corps have a great 250th and HAPPY BIRTHDAY.
