

**DEPARTMENT OF PENNSYLVANIA  
MARINE CORPS LEAGUE  
Marine & Associate Member of the Year Societies**

## **Report of the Societies - October 2025**

CONGRATULATIONS to our newest honorees! **Robert L. "Doc" Hockenbury, Jr.** was selected as Marine of the Year for 2025, while **Carol 'CJ' Hoffman** was selected as Associate Member of the Year for 2025.

Thank you to the Detachments who submitted nominations for consideration by the Societies. The method for submitting your nominations can be found in the Department Administrative Procedures Enclosure NINE (9) for Marine of the Year and Enclosure TEN (10) for the Associate Member of the Year.

The **selection** process for the Associate Member of the Year was amended, but the **nomination** process remains the same.

Unfortunately, there was a hitch in the process in that one nomination, although put in the mail early enough, was not received until after the Convention. That incident has rekindled the discussion require electronic submissions. The Societies will continue that discussion for the future.

Thank you!
