To the Members of the Marine Corps League,

As we gather this Memorial Day, we pause as Marines, veterans, and patriots to honor the brave men and women who gave their lives in service to our Nation. Their sacrifice is the foundation upon which our freedoms stand, and their memory must never fade from the hearts of grateful Americans.

Memorial Day is more than a long weekend or the beginning of summer. It is a sacred reminder of the cost of liberty and the enduring courage of those who answered our Nation's call without hesitation. From the battlefields of generations past to the conflicts of today, our fallen heroes carried the spirit of honor, courage, and commitment that defines the United States Marine Corps.

As members of the Marine Corps League, we have a responsibility to preserve their legacy through service, mentorship, patriotism, and support for our fellow Marines, veterans, and families.

I thank each of you for your continued dedication to our League and to the ideals we represent. May we never forget those who stood the watch before us and gave everything for our country.

Semper Fidelis,

TJ Morgan

66th National Commandant
