District Vice Commandant's Report – June 2026

Greetings, Marines,

We had a very active 3rd and 4th quarter in district 8; I had the pleasure of making many installations of detachment officers this quarter and it was encouraging to see new faces on the front table. In attending district 8 detachment meetings district 8 is moving forward in the final push that ends the fiscal year. This summer I am very encouraged to see the amount of scheduled fundraisers' color guard ceremonies and community activities.

We did have a district 8 meeting at Allegheny Valley detachment home. The department Commandant was present, and training was done by the department paymaster regarding compliance with the league. Although attendance was low the detachments that did attend gained much needed direction.

With the summer in full swing there are still many opportunities to service your communities. Do not forget we are gearing up for a major event with the department meeting at Kalahari resort. A lot of work went into this meeting site this year and I hope to see a good turn out from district 8. Please help by attending meetings, remember your voice cannot be heard from the cheap seats.

Matt Popovich
District 8
Vice Commandant
